It was decided that a report to the Town Board is needed on the lack of progress that Gregg Thomas is making in following the township ordinances in building his outbuilding. Gregg Thomas needs to be notified that he needs to comply with all the township ordinances.

More copies of the township ordinances need to be made. The new copies should have the current revisions in them.

6. Next regular meeting: October 21, 2002 7:30 p.m.
