Discussion of the 2001 Community Plan and the Community Surveys of 2001 and 2006. MSU has not responded to an email sent to the chair of the Department of Urban/Rural Studies asking if they would be interested in helping with the survey. Martha will follow up with a phone call. The survey could be implemented using Survey Monkey and informing township residents of the survey with a postcard. It would be good to have the survey out by April. Board members should look at the past surveys and see if they would like to rework/delete any of the questions or add new ones.

6. Adjourned.
